DEFINITION OF AN AREA SERVICE COMMITTEE

An Area Service Committee (ASC) is a committee made up of representatives (GSRs) from groups within a designated area, an administrative committee, and sub-committee chairpersons which meets monthly for the express purpose of serving the specific needs of its member groups.

The most important service that an ASC provides is that of its groups' needs. Whenever a group has a specific situation or need, which it has not been able to handle on its own, it can come to its Area Service Committee for help. These situations are almost limitless in scope, however, we have learned that we can get much accomplished when we work together.

An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. The point is that an ASC handles whatever functions are necessary or helpful to its groups.

In order to provide these services an ASC needs the active participation of its GSRs. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an Area grows the financial needs of the committee also grows. In order to provide a full line of services it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate sources of financial support are helpful, but the bulk of the responsibility still falls on the members of the groups.

FORMAT OF AN AREA SERVICE MEETING

An ASC meeting is run by The Twelve Traditions, the Twelve Concepts, Area Policy, and then Robert Rules Of Order.

1. Open meeting with the Serenity Prayer.
2. Read Traditions and the definition of an ASC.
3. Open forum, time limit to be determined at the discretion of the Chairperson.
4. Roll call by Secretary to include Administrative Committee, Sub-Committee Chairpersons, RCM, Alternate RCM, GSRs, or their Alternates in their absence (to be done in alphabetical order by group). Group reports should then be submitted to the Secretary for the minutes.
5. The second to the last paragraph of the prefix on page XVI of the Basic Text is read by the Chair or Vice-Chair following the first roll call.
6. Following the first roll call at each ASC, a trusted servant of the area (Admin Member, Committee Chair, or GSR) will share a five-minute presentation of their service position that includes their role within the body they serve, the responsibility of their position, and any other pertinent information that may be helpful to those members new to the service structure.
7. Establish quorum.
8. Move to accept last month's minutes.
9. Treasurer's report. Move to accept Treasurer's report.

19 pending motion before the pending motion itself is acted upon. An amendment must in some way
20 involve the same question that is raised by the motion to which it is applied. An amendment
21 cannot introduce an independent motion. An amendment is debatable only if the motion to be
22 amended is debatable.

23 MOTIONS TO TABLE:

24 A motion to table may be applied only to a main motion that is pending. At the time a motion to
25 table is made, an intent is to be given. The motion to table is in order for:

- 26 a. To get further information.
- 27 b. More pressing business to be dealt with.

28 A motion that is tabled remains on the table until taken up by the ASC by a motion to do so, or
29 until the next ASC meeting when it will be brought up by the administrative committee under Old
30 Business. This motion is not intended to kill a main motion or suppress debate on it.

31 MOTIONS THAT CHANGE POLICY

32 Are automatically tabled to groups.

33 MOTIONS TO REFER TO COMMITTEE:

34 When a motion to refer to committee is made, it is to send an item of business to a relatively
35 small group of selected persons, a committee, so that a question may be carefully investigated
36 and put into better condition for the ASC to consider. Unless specified, the issue will be brought
37 up at the next ASC meeting by the committee. Debate on a motion to refer to committee will be
38 limited to one pro and one con, and the debate will pertain only to the desirability of committing
39 the motion or the instructions to the committee, and not to the merits of the main motion. If
40 passed, there will be two pros and two cons on the original motion so as to obtain information to
41 give direction to the committee.

42 MOTIONS TO REFER TO GROUPS:

43 When a motion to refer to groups is made, it is to send an item of business to the groups for their
44 consideration. The issue will be voted on at the next ASC meeting. Debate on a motion to refer to
45 groups will be limited to one pro and one con and the debate will pertain only to the desirability of
46 committing the motion. If passed, there will be two pros and two cons on the original motion so as
47 to give information to bring back to the groups. All motions tabled to groups from Area/Region will
48 have intent.

49 MOTIONS TO RECONSIDER:

1 A motion to reconsider is meant to bring an item that has already been dealt with onto the floor.
2 This is used to permit the correction of hasty, ill-advised, or erroneous action, or to take into
3 account new information or situations not considered when taking the original vote. Since this
4 motion is not to be used for rehashing motions that an individual or minority were not pleased with
5 the outcome, this motion can only be made by a GSR who voted on the prevailing side or a
6 member who spoke in debate to the prevailing side of the motion. After the end of the next ASC
7 meeting it would no longer be in order to reconsider a motion. You may not reconsider a motion
8 more than once.

9
10 UNANIMOUS CONSENT:

11 That is a method that allows the ASC to move quickly through a routine business or questions of
12 little importance. This is a less formal way of handling business and is an alternative to taking a
13 vote on a motion. If the Chairperson senses no opposition to a motion, he/she will state that the
14 motion is carried by unanimous consent unless there is an objection. If there is no objection to
15 this, the minutes will reflect that all of the voting members were in favor. If a member objects to
16 this, the matter will go to a vote as prescribed for the motion.

17
18 WITHDRAW OR MODIFY:

19 A request to withdraw or modify may be made by the maker of the original motion upon his/her
20 acceptance of a suggestion from another member. After the motion is made it belongs to the
21 ASC as a whole and the maker must request the ASC's permission. The Chairperson treats this
22 as a unanimous consent matter, that is, if no one objects to this, the request is granted. If there is
23 an objection, the Chairperson automatically puts the request to a vote which is not debatable.

24
25 MOTION TO CALL THE VOTE:

26 A motion to call the vote must be seconded and allows for only one pro and one con. A 2/3
27 majority is required to adopt this motion. The intent of this motion is to bring the original motion to
28 a vote without any further amendment or debate. This motion is not to be made to suppress
29 information but rather to expedite the proceedings.

30
31 POINT OF INFORMATION:

32 A point of information is a question directed to the Chairperson to obtain information concerning
33 parliamentary procedure on the motion that is pending. This allows a member to ask a question
34 and it is not to make a statement or give information.

35
36 POINT OF ORDER:

37 When a member feels that the rules, policy or guidelines of the ASC are not being adhered to, he
38 can make a "Point of Order" which in effect is asking the Chairperson to make a determination of
39 whether or not the procedure the member is pointing out is in fact being violated. A point of order
40 is not a method in which to dispute the accuracy of validity of another member's remarks but
41 instead is to bring to the attention of the Chairperson that a member feels that the proper
42 procedure is not being followed.

43
44 SUSPEND THE RULES:

45 A motion to Suspend the Rules is made when a member of the ASC would like to waive certain
46 ASC procedure. The motion will include the rule to be suspended and the length of time it shall be
47 suspended. The motion requires a second and a 2/3 majority.

48
49 APPEAL THE DECISION OF THE CHAIR:

50 By electing the ASC Chairperson, the ASC delegates to him/her the authority and duty to make
51 necessary rulings on questions or parliamentary procedure. Any two members have the right to
52 Appeal from his/her decision on such a question. By one member making the appeal and another
53 seconding it, the question is taken from the Chairperson and given to the ASC for final decision.
54 Debate will be limited to one pro by the maker of the motion, and one con by the Chairperson,
55 limited to one minute each.

Following the letter, the person may make a rebuttal. Impeachment will be determined by vote at the ASC meeting. Relapse may fall under the heading of "failure to perform duties". 6 Narcotics Anonymous. Their commitment requires compassion when addicts or their loved ones
7 call NA and ask for help. It will require patience to effectively listen to the needs of the caller. The
8 Helpline/P.R. member's commitment is vitally important to the still suffering addicts.

9
10 Addiction is a disease that affects the whole family and for that reason, we can expect to receive
11 call from the family and friends of the active addicts. We need to treat all callers with respect and
12 talk to anyone who reaches out for help. Families and friends of addicts often feel isolated and
13 ashamed. It is important to take a little time with these people because they may be reaching out
14 for the first time. They need and deserve encouragement. Members are allowed to refer callers to
15 Naranon Helpline. Remember we are not counselors.

16
17 Our primary purpose is to stay clean and to carry the message to the addict who still suffers. Our
18 Helpline/P.R. phone number has been set up at an answering service and is listed in the
19 phonebook. The number is (954) 967-6755.

20
21 **Answering Helpline Calls:**

- 22 1. Answer the call and advise the caller you have reached the NA helpline or You have reached
23 the South Broward Area of NA how can I help you?
24 2. Answer the call by stating that you are a Helpline volunteer and a recovering addict.
25 3. Give information about NA, answer basic questions providing meeting locations and times,
26 etc. (quoting NA literature is a good source of information).
27 4. **DO NOT** give out other people's names or phone numbers.
28 5. If someone needs a ride to a meeting and they are new, refer to the 12-Step list (women to
29 women, men to men). Keep calling until you get someone to respond.
30 6. Remember to call them back within 30 minutes if you are unable to reach someone from the
31 12-Step list. Remind them that you are still trying to locate someone for them.
32 7. Contact Helpline/P.R. Chairperson or Vice-Chairperson in his/her absence if a problem arises.
33 If a caller is unfamiliar with NA or if they need to be 12-Stepped, ask the following questions:
34 a. Have you ever been to a Narcotics Anonymous meeting?
35 b. What area are you calling from?
36 c. Do you have transportation?
37 d. Let the caller know that someone will be in touch with them shortly.
38 e. Call the 12-Step volunteer of the same sex and in the same geographical area as
39 the caller to relay the name, phone number and basic information about the
40 caller.
41 f. Keep call the 12-Step list until you reach someone who is available.
42 g. Remember to call them back within 30 minutes if you are unable to reach
43 someone from the 12-Step list. Remind them that you are still trying to locate
44 someone for them.
45

47 the South Broward Area to aid in crisis calls received by helpline is as follows:

2. Presentation:

- A. Introduction
 - Give your full name. State that you are a member of the South Broward Area Service Helpline/Public Relations Committee of Narcotics Anonymous. (This is **NOT** an appropriate time to break your anonymity). "My purpose here today is to inform you what Narcotics Anonymous is, what it is not, what we do and how to contact us."

- 1 B. Discuss that Narcotics Anonymous is a non-profit fellowship. We meet regularly
2 to help each other to recover from the disease of addiction. We share two
3 important things in common: the disease of addiction and the desire to stop using
4 drugs. We are not affiliated with any political, religious, or law enforcement
5 groups and are under no surveillance at any time. Narcotics Anonymous started
6 in California since 1953, and has been in Broward County since 1978. There are
7 (give current number of) meetings per week. (If appropriate, also give number of
8 H&I meetings.)
- 9 C. Types of meetings and cost.
10 "There are four types of meetings: speaker, speaker/discussion, step study and
11 book study. Most of the meetings in the South Broward Area are open meetings.
12 Closed meetings are for addicts only or for people who think they may have a
13 problem with drugs. It costs absolutely nothing to attend these meetings. We are
14 fully self-supporting through our own contributions."
- 15 D. What we offer and what we do not offer.
16 "We offer recovery from the disease of addiction. Some of the things Narcotics
17 Anonymous does not provide for are: medical care, counseling services, job
18 placement, halfway house, detox centers, treatment facilities, or legal advice.
19 Narcotics Anonymous has over thirty years of experience with literally hundreds
20 of thousands of addicts. This mass of intensive first-hand experience in all
21 phases of illness and recovery is of unparalleled therapeutic value. We feel that
22 our way is practical for one addict can best understand and help another addict."
- 23 E. How to get in touch with us.
24 "One of the easiest ways to get in touch with us is to call our 24-hour Helpline
25 (954)967-6755. Your call will be returned by a recovering addict. Or, you can
26 attend a meeting." (Show meeting list).
- 27 F. Anonymity
28 "Before we open the floor to any questions you might have, we would like to
29 conclude with one of the basic elements of our fellowship, and that is the
30 principle of anonymity. We remain an anonymous fellowship so that addicts who
31 seek recovery here may be protected. Many of us eventually come to have
32 nothing to fear from society if it becomes known that we are recovering addicts;
33 still we maintain anonymity as a reminder that it is not our personal identity that
34 is important in Narcotics Anonymous. What is important is that we are addicts
35 who have learned to live without drugs. Personal anonymity at the public level
36 remains an important spiritual principle, reinforcing the humility necessary for
37 ongoing recovery. Thank you for respecting that when you leave here tonight."
38
- 39 3. Follow-up:
40 A. If you decide to break your anonymity, now is the time.
41 B. Answer questions from the audience using the "20 Questions and Answers"
42 sheet as a guide.
43 C. Send form letter within one week.
44 D. Give data sheet to the secretary for the permanent file.

24 3. Take attendance and give meeting reports

36 2. Voting
37 a. Voting members of the sub-committee shall be all H & I meeting chairpersons.
38 b. In the event of a tie, the Chairperson will exercise his/her right to break such tie.
39 c. A quorum is the simple majority of the voting members. Once a quorum is
40 established at each meeting, it stays through the meeting.
41

42 **Budget:**

- 43 1. General operating expenses, which may include copies of minutes, guidelines, policies,
44 reports on projects from other levels of service or other committees, postage and rent for
45 H & I committee meeting.
46 2. The budget needs to be prepared and submitted to the ASC yearly. The H & I
47 Chairperson's report to the ASC should include a monthly statement detailing literature
48 and operating expenses. The H & I committee should receive literature from Area rather
49 than funds for literature. The ASC provides the H & I Sub-Committee with up to \$500.00
50 worth of literature per month.
51

52 **Additional Guidelines:**

- 53 1. Each speaker must have at least three (3) months clean time to speak at a H & I meeting
54 and have a clear N.A. message.
55 2. Literature and meeting lists for H & I meetings must be supplied at H & I Sub-Committee
56 Meetings only and will be distributed with discretion. H & I sub-committee is to be given

- 1 up-to-date meeting lists as needed.
- 2 3. Remember, ego has no place in H & I work. We are here to spread the message of
3 recovery to the suffering addict - not to make a name for ourselves. Narcotics
4 Anonymous through attraction rather than promotion.
- 5 4. Medallions may be passed out at H & I meetings. They will be approved by the H & I
6 Committee, who must first get approval from individual institutions to disperse.
- 7 5. Rides to outside N.A. meetings are not provided by H & I Committee members. They
8 are only done on a volunteer basis.
- 9 6. Speaker and Chairpersons for H & I meetings must not be employed or affiliated with
10 that facility.
- 11 7. Working with others: Men with Men; Women with Women
12 Some facilities house only men or only women. Other facilities house men and women
13 separately. Whenever this is the case, only same-sex N.A. members should chair H & I
14 meetings in those facilities or work closely with the inmates/patients whenever possible.
15 This does not exclude members of the opposite sex from participating in meetings.
16 Experience has taught us that we can avoid many possible problems if we follow this
17 simple guideline. Problems that arise in this area have the potential to seriously damage
18 the credibility of Narcotics Anonymous. Even though we may be innocent, just the
19 appearance of problems of this nature can do irreparable harm. Please use sound
20 judgment in this area.
- 21 8. Adolescents - Many N. A. members who have worked with adolescents in an H & I
22 setting have noted that there are some special concerns that should be taken into
23 account in guidelines such as these. We enter into this discussion guardedly though,
24 because we do not wish to create the impression that some addicts are "different". The
25 issues here represent the stated experience of members who have carried the
26 message to adolescents in institutions. In no way are these points presented as dogma
27 that will apply in every case. They are instead presented as points for your
28 consideration, to be used in whatever way makes the most sense. Four major issues
29 come to the forefront in any discussion of working with adolescents in an H & I setting.
30 One, the adolescent seems to respond strongly to role modeling; two, the adolescent is
31 very peer group oriented; three, significant adults in the young persons life must be
32 respected and taken into account; and four, adolescents respond particularly well to
33 an approach which includes positive rewards, such as key tags, chips, etc.
- 34 9. Do's and Don'ts for H & I Work - The World H & I Committee has compiled this list
35 based upon the experiences of committees around the world who sent their input on this
36 matter. They provide some very helpful guidelines, and should help you avoid pitfalls
37 others have fallen into.
- 38 DO's
- 39 1. DO make directories of outside meetings available to residents;
40 2. DO clarify the institution's rules with anyone you bring in;
41 3. DO start and end on time;
42 4. DO try to get residents involved, especially those in long-term facilities (i.e.
43 group secretary, literature person, etc.);
44 5. DO obey all dress codes. Exercise common sense and respect for the facility in
45 what you wear.
46 6. DO keep staff aware of your whereabouts at all times;
47 7. DO follow all security regulations at all times;
48 8. DO stamp all literature you bring into the institution with the local Helpline
49 number.
50 9. DO screen speakers carefully, especially regarding the clean time requirements
51 of the facility.
- 52 DON'Ts
- 53 1. DON'T break another person's anonymity or tell his/her story
54 2. DON'T get involved in discussions about an inmate's guilt or innocence
55 3. DON'T debate any issues involving institution rules or regulations
56 4. DON'T debate which drugs are acceptable. N. A. is a program of complete

- 1 abstinence from all drugs
- 2 5. DON'T discuss conditions within the institution, or opinions about staff members
- 3 6. DON'T give or accept gifts
- 4 7. DON'T carry excessive cash or wear expensive or flashy jewelry
- 5 8. DON'T show favoritism to any inmate(s)/patient(s)
- 6 9. DON'T mail letters for inmates or patients
- 7 10. DON'T give out any other person's address or phone number
- 8 11. DON'T carry in any contraband items, such as cigarettes (if applicable) or
- 9 weapons.

10 Remember at all times that you have a responsibility to the institution, to the
 11 inmates/patients, and to Narcotics Anonymous. If you observe the above suggestions,
 12 and follow the Twelve Traditions, you will uphold your responsibilities to all three.
