VI. ASC Chair Report –

Hi I am an addict 2 named Gary. I am sorry but I forgot to mail the minutes to those GSR's who get them by mail. I have been in touch with a few addicts who were thinking of becoming the Alt. Secretary. I hope that all the GSR's that are here for roll call stay so we can get old business done. We need to start looking for those who want to run for positions in July. I thank you all for letting me be of service.

VII. ASC Vice Chair Report

My name is forest and I'm an addict. Prior to today's area I spoke with the newsletter chair, H&I vice chair, PR/Hotline chair and all is well with their sub committees. The web site seems to be functioning properly but a few people still seem to have issue with downloading the minutes from the site so I am going to change the format of the minutes. All new minutes will be set up in PDF format from now on and this should eliminate an issue people are having. But once again if you are having problems with the minutes on the website only please contact me at least TWO days prior to the area. This way I can help you. If you wait until area there is nothing I can do there. ILS; Forest

VIII. Secretary's Report – No written report submitted.

IX. Treasurer's Report – ABD/LGLG Treasurer's Report was accepted as written. **MAY report attached at end of minutes.**

X. RCM Report- No written report submitted

XI. Alt RCM –

The World Service Conference has just concluded. All of the World Board motions have passed and all the Regional motions failed with the exception of the Traditions working guide. I'll have more information to report at the next ASC meeting. The Service System workgroup has released its initial proposals for changes to the service structure. These proposals would change Area and Regional service as we know it today. I have submitted the report to the webmaster so that any member can view this on the South Broward website. I have submitted a check request for \$200 per ASC guidelines to attend the next RSC meeting in Fort Myers .ILS, Jeff P

XII. Subcommittee Reports:

Activities. May 5, 2010, I'm an addict called Fred. Hi from activities, our next event is **Bowling on Saturday May 22nd, at AMF Lanes in Davie.** We have tickets for sale today. There is a limited number so get them early. Flyers will be going around to take back to groups. Our bowling events are always a lot of fun for everyone. I am resubmitting last months activities report as they did not make it into last months minutes. The South Broward Activities Committee is quite offended that only our budget has been written up in the last minutes, when the motion was for all the committees to submit their profit and loss for the last couple of years. We were under the impression that the purpose was to look at where the Areas money has gone for the last two years. The activities committee has put on 13 fun events in the last 18 months. So why are we being targeted?! Read Basic Text page (XVI) last paragraph. Any questions? ILS, Fred
