VI. ASC Chair Report Hi I am an addict 2 named Gary

Chair report 12/13/09

I want to say things are going smoother at the ASC. I want to say I appreciate all the help the GSR’s are giving Forrest and myself. Upon looking what our totals were for the past year our Average was just under 3000.00 per month and we had 2 months that the totals were over 4000.00. I want to say we need to keep the idle chit down more. We need to stop area too often to bring down the noise. The ASC is in communication with each other to keep each other updated on what is going on. Also please don’t forget to get a 2nd name and phone of a regular attender for your groups. If any of you know of an addict that goes to **Back to Reality, Back to the basic, S.T.A.R. Group-and We Do Recover please ask them to contact me by email at Gary24him2@aol.com or 954-723-1503 leave a Message with a phone # to call them back**

VII ASC Vice Chair Report -.

I met with H&I PR/Helpline and activities sub- committee chairs prior to the area and we discussed the goings on at the sub comm.. I did not make it to the 3 meetings that had missed 2 previous ASC's before removal from the roll call but it appears the 3 meeting are in attendance today so they will not be removed. All is well with the website and everything is working properly. We have been having a policy review committee that has met 2 times since the last asc. Thank you for allowing me to be of service. X. RCM Report-

Last region was held in Naples, and was well attended. On Saturday all regional sub-committees held their respective meetings. Both Jeff and I were able to both attend and participate in the discussions.

I personally attended both the Public Relation meeting and spent some time in the RSC's admin meeting. Public Relations again did another presentation and I recommend anyone who is able and or interested to join next month's presentation at the Deauville to do so. Also there will be time set aside to gather information regarding the car/cat with our rd/ad. There is an issue arising out of Gold Coast regarding a trusted servant using City property for personal use (letters are included your packets).

Final profit from SFRCNA is \$1330.00 and was donated to Region. The date for next year's convention has been changed to August 20th thru the 22nd, at the Naples Beach Golf & Resort, and SFRCNA is asking all Areas' to hold fundraisers to help out (see Reg. Report). Region operated \$838.00 above its prudent reserve and a motion was made to hold the donation at this time.

The issue with "In The rooms.com" Domain interfering with web searching was addressed and there is a resovlement in the works. Final fixing of this issue should be seen in the next few months, for those that search on the web for na.

Regional weekend went well; Region is seeking an " in between" hotel to hold future regions as the "Member-at -Large" concluded that it would be cost effective to hold region in a more centralized location (next month region will be held in Weston). While there was also a mention of the upcoming Zonal workshop, we need to know just how many people are interested in going to the Forum, in Atlanta. This is an expense as we do not want to waste the funds. If you are interested, please review the contact info as well as the dates, which are in the AD's report (part of your SFRC packet).

I was able to table the 2 motions as requested by this Area. Other Areas had questions as well so the motions passed. I bring back 3 motions to be voted on by our Area. I have made copies for all the GSR's and the Admin for review. As always, if there are any questions I will do my best to answer them all.

In Loving Service.....

Robert SBA RCM

XI. Alt RCM Report-

The location of the CAR workshop has been changed to the Share Unit, This was done based on the size of the other location and due to it now being a multi-area workshop. Sorry that I wasn't able to pass this information to the Newsletter Chair for inclusion in this months newsletter.

The CAT workshop will be in Atlanta on January 30, 2010. Anyone wishing to go needs to contact me as soon as possible. One room for men and one for women will be made available on a first-come, first-serve basis. A van will be rented for those going to that workshop from the east coast. ILS, Jeff P RCM-Alt

AD HOC Subcommittee - Ad Hoc Committee Meeting Held at Road to Freedom Group November 21, 2009
Purpose: The Ad Hoc Committee was formed by the ASC to assist the Road to Freedom group in finding a solution with their SBA problem while maintaining the 12th Tradition of placing principles before personalities and the 5th Tradition to continue its purpose of carrying the message to the addict who still suffers.

Main Issue: A large number of clients (between 20 & 30) from the Susan B. Anthony Residential Treatment Facility along with their children are attending small group N.A. meetings in the South Broward area making the noise and disruption in the meetings so overwhelming that the Road to Freedom group is considering closing the meetings to addicts only. Members of the group have tried many of the suggestions given to them over the past year and feel that the disruption in the meetings has gotten worse and, as a result, have lost many members with years of recovery to share. Some of the suggestions tried have been:

1. Making a strong announcement before the meeting to please take the children and outside conversations outside to maintain an atmosphere of recovery.
2. Group members have asked those disrupting the meeting to be quiet or go outside only to be verbally assaulted by the SBA girls.
3. The women of the group have assisted the mothers with the babies.
4. The women of the group took shifts to watch the children in another room.
5. The group has provided crayons and coloring books for the children.

Unfortunately, none of those methods have worked and the sharing in the meeting has been more about frustration with the problem rather than on recovery.

Recommendations: The recommendation that the committee feels will have the most impact is that Dave, our main spokesperson, Barry, representing Public Relations and one member from each group that is affected meet with the Administrator and Department Heads of SBA to present our problem and concern and ask for their recommendations and help so that we may continue to carry a good, strong message or recovery. Two other suggestions that we would like to implement are:

1. Duke offered to type up a meeting format that has worked for his group that is very specific as to the decorum expected in the meeting.
2. It was also suggested that Public Relations consider putting together an educational program on meeting etiquette that could be brought into the facility on a monthly basis.

Conclusion: Barry is going to schedule a meeting with SBA and Duke is going to present the Road to Freedom group with a meeting format.

We have been trying to get in contact with the director of SBA however she has not returned our calls. Barry and Dave will make a personal visit to SBA during the week of 12/14/09. Ad Hoc Committee; Dave L.- Chair
