VI. ASC Chair Report Hi I am an addict 2 named Gary After looking over policy I do not see anything in policy saying that this Area needs 2/3 to accept a budget is does however say that we need 2/3 to change policy and this is not a change of poliy. I also spoke to Duke as the policy Chair and he agreed that the newsletter budget should be passed

VII ASC Vice Chair Report My name is forest and I am an addict. I met with the chairs of Helpline Newsletter and Activities prior to the asc and all is well at their sub committees. No other sub committee chairs were present prior to the asc. There will be a policy review meeting starting again on March the 3rd at 545pm for those that wish to attend can see me for more information

VIII. Secretary's Report – Greetings family, I am an addict named Prescott. As I continue to learn and improve at this position I need the help of all GSR's to please review their group information in these minutes and notify me of any changes. I will be in Haiti in March so Gary or Forest will fill in for me. Please remember to notify me by phone or email if you have not been receiving your minutes as expected. Also all GSR's please remember to help disseminate all fliers, newsletters etc. at any meeting they attend. Printing costs; and any fliers left over on front table at ASC is wasted money. ILS Prescott

IX. Treasurer's Report – January 2010 Treasurer's Report was accepted as written. BD / KBR
See February 2010 report attached at end of minutes.

X. RCM Report- Good morning family, I am an addict, my name is Robert. Last region was held at the Ramada Resort in Hollywood. It was well attended and very informative. I attended both the regional PR subcommittee as well as the Admin. Com. Meeting on Saturday. PR is presenting a learning weekend, August 14 & 15 @ the Don Shula hotel and they are asking for topics. The bonfire Hayride was profitable. There are no motions being sent to Area this month. My attempt to have motion 07-11-09 (The SFRCA budget motion) tabled back to maker, failed as other areas were prepared to vote on it. I did abstain as directed by this area; however the motion passed. While on this subject; you will see in the regional minutes that there are several motions(7) from the SFRCA BOD. These all went to Admin. for now. It appears that the BOD is in the process of cleaning up its policy one motion at a time. Perhaps if the BOD could review and revise their policy and submit the revision as one motion, we would not be bogged down in individual motions for the next few RSC's. I guess that more will be revealed.

As you can see in the regional minutes, I was nominated for the SFRCA BOD. I accepted, was voted on and approved by the RCM's for this position. However; Regional policy states that no one person shall hold 2 positions at the same time on the regional floor. Please keep in mind that the GSR assembly is next month. I have passed out policy information regarding this event.

I have brought back fliers and our regional newsletter for all, please do not let these informative papers get left behind. Keep in mind that any addict who attends any meeting should be afforded the opportunity to know what is going on in NA in South Florida & other parts of the country. With all the talk of prudent use of NA funds; we should make it a priority to distribute all the information that we can, as it was paid for by NA funds, by NA members, to help spread the message of NA.

For those that are interested, the next CAR Workshop will be held in Cape Coral...I have a flyer for that.

As always; if there are any questions; I will do my best to answer them. In Loving Service, Robert H., SBA RCM

XI. Alt RCM Report- At the last RSC I attended the H&I subcommittee meeting and the Conference Agenda Report (CAR) Workshop on Saturday along with the RSC meeting on Sunday.

All groups who choose to do so should be voting on the CAR and submitting their ballots, These will need to be turned in to our Regional Delegate at the March RSC meeting. Any group who chooses to do so may hand their ballots to me and I will submit it to the Regional Delegate.

There has been a correction to the Conference Agenda Report. It has been posted on the NAWS website and can be downloaded at www.na.org. This is a correction to pages 29-30 and corrects a misrepresentation in the CAR dealing with the review of the 1st Edition of the Basic Text. This correction does not effect any of the substance of any motion being voted on in the CAR.

The Conference Approval Track (CAT) was released and made available on the NAWS website on January 25. The CAT consists of a large portion of the new business items that get discussed and voted on at the World Service Conference. Items in the CAT include the strategic plans for World Services, budgets and timelines for proposed projects and other information.

Our region gives its groups and members a chance to give input to our Delegates to the Conference on the items contained in the CAT. There will be a workshop held at the March RSC to be held in Miami Lakes on March 20. As of now this workshop will be from 11am to 4pm. Please pass this information along to all members so they have the opportunity to have their voice heard.

Also, last week, the NAWS annual report for the year ending June 30, 2009 was released and placed on the NAWS website. This is a 106 page report and includes loads of information. Among the information disclosed, the South Florida Region was the 5th largest donator of funds to World Services for that period totaling \$32,191.09 in donations, and, for the first time ever, donated more than the Florida Region. (Whoop!! Whoop!!) Also shown in the annual report was the fact that the World Convention in Barcelona lost \$212,895. Other items that get shown in the report is a breakdown of sales of each book, pamphlet, keytag and medallion.

If anyone has any question on any of the material in either the Conference Agenda Report, the Conference Approval Track or the NAWS Annual Report, please feel free to contact me and I will do my best to see that your questions get answered.

In Loving Service, Jeff P RCM-Alternate

Members present: Barry, Marie, Amy, Dave L, Duke, Kristen, Linda, Phil, Steve, Sue, YoFrank, Miriam

To tape Portuguese message: Hugo will tape with Phil.

My apologies to those whose name is not here, I already gave the list of members present to our new Secretary, Amy.

Open Forum:

We are discussing pertinence of talks over the bus ads as our Region has \$18.52 left in the bank account;

- H & I gratitude dinner, they might be doing the bus ads, they are discussing it at their meeting;

Public Relations:

- Barry went at CW Thomas Park from noon to 5 at a Special Health and Welfare event. NA was the only 12 step fellowship; Barry passed a lot of IPs. Need to replace them, will get with Literature chair.

- Region's flyers for Aug 14-15, 2010 learning week end workshop was mentioned;

- Susan B. Anthony, Barry and Dave met with the clinical director and staff members. Very positive response. Discussed options about girls and babies. Barry gave them a meeting list. Meetings with larger rooms. Splitting between 2 meetings. The staff did not know the drivers were not staying with their clients. They agreed to do presentations: one to clients and one to staff. Barry, Duke and Dave to prepare that meeting.

Shift sheets were reviewed.

Old Business:

- Gold Coast helpline PR chair was not there. They chose to table discussion on bus ads;
- South Atlantic, we have on information;

- Amy says she is willing to fulfill the Secretary's position. Passed.

On January 29, 2010 Barry , Dave L , Duke and Sue went to Susan B Anthony Facility and spoke with the women on the importance of how we all need to be able to hear the message at the NA meetings. It was discussed by the facility that the women are able to go to other NA meetings besides the ones taken to , they all have car seats for their children , the only requirement is that they must go with another woman and have to let the facility know in advance. They also were interested in more H and I meetings to be held their. The regional PR chair is also putting in a motion for Region to pay for bus ads .

Next meeting of this committee will be held on February 18, 2010. ILS, Barry S. Addict for Life
