Hospitals and Institutions (H&I) : July 11, 2010 Greetings from the H&I Subcommittee: Our last subcommittee meeting was at 6:30p on Tuesday June 16th, 2010 at St. John's Church 1750 Buchanan St, Hollywood. We will meet at the same time/location on July 20th. At our last subcommittee meeting a motion was made to have the funds raised at the H&I Pot Luck Dinner be set aside to purchase literature for the H&I subcommittee. The referenced motion was submitted to this body. As you all know the H&I Pot Luck Dinner was last night and was an awesome event. The H&I subcommittee would like to that everyone for their support. (\$823.00 was turned in to the ASC) We elected Jan as the new H&I secretary; Bruce as the new H&I literature chair. Nominations for H&I vice chair are Jay J and Dan K. Literature Distribution – July 11, 2010 June to be given in July

Group orders were \$1661.25

H and I \$408.50

we ordered \$1490.05 from the RSO

and meeting list were \$154.34.

First we would like to say thank you to all the groups for your understanding and corporation about the situation, we appreciate it. As you can see Dan has healed nicely from his fall.

We have received notice that the price for meeting lists has gone up and starting today the price is now \$0.20. Please adjust all your old forms. It was reported to the ASC on the 22nd of June and we are looking into another printer.

Due to the fact that the Florida service office was very short on Basic Texts, we receive only a small portion of our order. And as per policy we were unable to order them from anywhere else, which now leaves us having a shortage to distribute. Literature committee is looking for nominations for this wonderful way to support this area and be of service.

thank you for this opportunity to be of service

Newsletter All is well with the Newsletter Subcommittee. We are working on August issue. Spread the word. Deadline is August 1. We are submitting a motion to increase our budget by \$6 each issue. Printing costs have gone up. That will increase budget by \$30 for the year.
In loving service, Yo Adrian

Area Inventory Ad-Hoc Committee Report July 11, 2010 (Copy of Inventory to be emailed separately)

The inventory process took four months for our Area to complete. Every GSR and Area Trusted Servant received an inventory form. I received 20 responses in total and have tallied the results. The answers to the questions were based on the following scale:

1 = Not at all

2 = Needs Improvement

3 = Adequate

4 = Outstanding

5 = Excellent

The results were derived by adding the numbers for each question and then dividing the total by the number of responses to that question (not every question was responded to on every questionnaire).

The lowest score was for the question: "How fully does the Area train and support members who serve on the ASC?"

Two questions tied for the second lowest score:

"How well does the ASC foster an atmosphere of courtesy and mutual respect?"

"How well is a sense of unity fostered within the area service body?"

These low scores may provide a clue as to why we struggle to meet quorum in our ASC meetings.

The last question that achieved a score under 2.5 was: "How well does the area communicate with local groups?"

The six questions at the end of the survey regarding communications with Region and NA World Services have the distinction of being **both** the questions that earned the highest scores **and** the questions with the most non-responses, indicating that we may have an issue with communications of all kinds. According to the Area Planning Tool (from which this questionnaire comes), the next step is "Developing Goals." Goals should be clear, concise, and result-oriented statements that are achievable.

The goal should be an outcome or a result. For example, the goals for training and supporting members who serve on the ASC might be regularly scheduled learning days, overlapping terms for all trusted servants, GSR orientation, and having area support available to train group-level trusted servants. Coming up with goals could be using the "small group" approach or having it done by area admin. It is now up to the GSRs to determine how they want to proceed with this inventory process .ILS,Jeff P.

<i>*Public Relations Project:</i>	<i>*\$2,500.00</i>
<i>Prudent Reserve:</i>	\$3,500.00
<i>Total Available Funds:</i>	(\$1,266.02)

***\$2500.00 for Public Relations Project is money to be paid out only when available above prudent reserve per SBASC Policy. Current Treasurers report shows that \$2500.00 allocation would put SBASC \$1266.02 below prudent reserve at this time. However, Region Service Comm. has voted to fund \$2500.00 for bus ad project, so ASC funds may not be required.**
