**Duke** - I am the AdHoc Chair for the H&I Gratitude Dinner. I was invited to present the H&I Gratitude Dinner, which is an Area Function, to the Activities Committee. When the Activities Chair came to our subcommittee meeting, I was informed that the Activities Committee voted to not give supplies to us for our dinner. I was told that they did not have enough funds in their budget and that they did not feel that it was their responsibility to support us in this dinner.

The supplies collected by Activities are not just Activities' supplies but it belongs to the Area. Therefore, the vote was out of order.

I feel they are trying to separate their committee from the committee for the H&I Gratitude Dinner. I am bringing this to our Area Admin Committee for clarification, because there is no need to separate Area funds (and once again, the H&I Gratitude Dinner is a South Broward Area event).

Policy states that the Activities Chair is responsible for all Area Events, not limited to only what Activities puts on.

I will go again to the Activities Subcommittee Meeting and present this in a more loving and caring way.

**James** - Fridy Night on Fosters is having their 10th Anniversary. Food, fun and fellowship. June 28, 7pm. All are invited, so let your groups know.

**VII. Administrative Reports:**

**ASC Chair Report - Dan** – For those of you wondering where 3 of our Admin Committee is: Danny is working, Frank is recovering from hip surgery, Robert is on the West Coast at Region.

It was brought to my attention that there was a discrepancy between the Activities Committee and the H&I function. As the Chair of this body, it says in our Basic Text, which we read at every Area [Reading of the second to the last paragraph of Prefix (page xvi)]. So we will address this issue and maybe change the order of business for the day to clear this up.

**JOANN - MOTION TO CHAGE THE ORDER OF THE DAY TO ADDRESS THE ABOVE ISSUES - MOTION PASSES – See New Business below**

**ASC Vice Chair Report - Danny C.** – not present

**Secretary's Report**–Sandy - No report

**Treasurer's Report** – Duke –

Last Month I left Barbara here all by herself, and she did a fantastic job. She will be taking over, nominated as the next activities treasurer, and she will need an alternate.

Adhoc meeting for H&I Gratitude Dinner meets more regular because we are getting to crunch time. I would like for everyone to buy a ticket before you leave today. Everything is going off of presale tickets. The only thing we got from area was \$200 back in December because the church needed a deposit because it was so far in advance.

We've been meeting at my house and will meet again this Weds 7pm. If anyone wants to attend, get with me and I will give you my address.

H&I Gratitude Dinner - June 14, St. Bart's, Miramar – Info on tickets. Flyers are out and we probably sold 200 tickets so far.

**VIII. Sub Committee Reports:**

**Activities Subcommittee:Joann:**

Hi my name is Joann and I am a grateful recovering addict.

Activities meets the second and fourth Thursday of the month at Luther Memorial Lutheran Church located at 1925 N St Rd. 7. Just north of Taft street on 441. We meet from 7:30 to 9:00 pm. You only need a day clean to get involved.

The first thing I would like to talk about is the spaghetti dinner. It was a huge success! The treasurer will be giving a report on the financial success for the event but I would like to say that the activities committee worked very hard toward creating an event that allowed us to carry the message of recovery, raise funds and create unity in this region. We formed an adhoc committee specifically for this event and planned it for many many months. We appreciate all who showed up and helped out. As per policy, I contacted the church after the event and was told that everything was left in good condition.

The next event is 4<sup>th</sup> of July! It is going to be at John Lloyd State Park. We welcome anyone who is willing to show up early to help set up the event and stay late to break it down. We are putting out new flyers this month with more information so please make sure the secretary of your group is using the new flyer when making the announcements. We are always looking for venues for our events so if anyone knows of a church or some other facility that we can talk to about renting the facility please let me know so that I can set up a meeting.

Thank you for letting me serve!

**Activities Treasurer:Darlene** –

Correction to last month's minutes regarding **Motion 14-4-02**, which asked to set aside 217.00. The minutes reflected 270.00 and should have said 217.00.

We had a very successful event (Sponsor/Sponsee Spaghetti Dinner). Those of you who were there know it was wonderful. We worked as a team, really hard and with no waste. Everyone who was there was fed whether they had a ticket or not.

**Helpline/Public Relations:** Steve - not present - report presented by Linda

All is well with helpline. All phone shifts are currently covered. Last subcommittee meeting we lost one member who stepped down. However, we welcomed 3 new members. These members will be given a helpline orientation next meeting. They will then be given a phone shift. Also, we voted in a new orientation person.

On April 19 we held our poster day in downtown Hollywood. We only had 5 participants. We distributed posters to various businesses including but not limited to: restaurants, stores, banks, coffee shops and the post office. We were pleasantly surprised at how well our posters were received by many of the businesses. Some businesses allowed us to hang posters in their windows while others placed them in their break rooms. A few, however, would not accept our posters due to their internal policies.

We believe that given the opportunity and a larger participation, poster days could be an invaluable tool in reaching the community. One in which our members can actively participate. Again, thanks to the members who participated in this one.

We always welcome new members. We meet the third Thursday of each month at 7:15 at Faith Christian Church 7676 Davie Road extension.

**Hospitals & Institutions Subcommittee:** Natalia –

South Broward H&I Subcommittee

This month's literature \$398.75  
15 meetings in 10 location and 4 open spots.

4 positions filled last month

Linda was nominated and voted in as the lit chair

The key still needs to be picked up.

We have an open spot for secretary if anyone is interested.

High pointe is still being investigated.

Amtg has not been taken in to Paul rein for about a year. But as soon as we have two women who have the willingness to bring in the meeting we will get that meeting up and running.

Sfrdna anyone who is interested in getting orientation for the Broward jails there will be an opportunity to do so at SFRDNA

Since the subcommittee has been getting more support we will start giving priority to those members who attend the subcommittee

Gratitude dinner is this June the 14

Be there.

Thank you for letting me be of service,

Natalia

#### **Literature Distribution - Melody-**

Well it is the same old message: what we sold and what we ordered....

In the April area we sold 927.75 and we ordered from the Florida Regional Office 1284.46 plus shipping of course. That total also reflexes H and I's order of 256.75.

After doing the math, subtracting H&I's order and sales tax, our order is only around 22.00 over what we sold.....which just proves that I will do anything to make this report longer.

We wish you a great day.

In loving service, Melody

PS- On the order form, medallions, you put how many you want, the total, and then the year that you want. Circle the type you want. We have limited supply of gold. If you do not circle one, then we will assume that it's bronze.

#### **Newsletter Chair: - Open Position**

#### **Policy Chair: - James W. -**

Policy Committee met this morning, only 2 people showed up, so we did not have a meeting. We will try it again next month.

### **New business:**

**JOANN - MOTION** TO CHANGE THE ORDER OF THE DAY TO ADDRESS THE H&I  
AND ACTIVITIES ISSUES STATED ABOVE - **MOTION PASSES ON FLOOR**

**Joann** - I am new to this position as activities chair. A couple of months ago I was told that it was in Policy that a member of Activities must participate in the Adhoc Committee meetings for the dinner, and this is simply not true. I assumed the info was correct so I started attending the meetings.

Contrary to that, it is in Policy under general guidelines that all fundraising efforts for this area should be approved by the ASC, coordinated and implemented by the subcommittee putting on the event.

I am not saying that the committee does not want to help but we shouldn't be told that we are expected to do so. We work hard the rest of the year putting on many events and then we are told by one person that we are to do this.

{Policy is up for interpretation as to whether or not Activities is only responsible for the Adhoc committees they form or to the entire Area's Adhoc Committees}

**James** –Our purpose is unity and working together. It is coming off as if we are working against each other. Bottom line – Are you going to help by giving them the supplies?

**Joann - Bottom line** – If the direction from Area is that this should have never come to a vote and that the committee was out of order then we will give the supplies.

**Conclusion:** Activities supplies will be given to help the H&I Gratitude Dinner. Joann and Duke will meet again at their subcommittee meetings and work this out together.

Also, Activities Chair will get with Policy to straighten out any portions of Policy that are open to interpretation. Examples: Does an Activities member need to attend

Adhocmeetings for the dinner? Do the funds and supplies for Activities go to support anyevent in the South Broward Area?
